OIL & GAS DIRECT NEGOTIATION
LICENSING ROUND

LIBERIA INVESTOR DAY HOUSTON

LPRA Direct Negotiation Licensing Round

19 August 2026 – Post Oak Hotel, Houston

15:00 – 15:30	Industry & Guest Registration Arrival and registration for industry delegates and invited media, with welcome refreshments.
15:30 – 15:40	Welcome and Opening Remarks Honorable Isaac E Taggart Jr, Special Envoy for U.S. Trade and Investments, Ministry of Foreign Affairs, Republic of Liberia
15:40 – 16:00	Keynote Address LPRA's Strategic Vision: Preparing the Next Licensing Round An overview of the Authority's mandate, regulatory framework and the strategic rationale behind the upcoming licensing round, addressed to the assembled industry audience. Honorable Marilyn Logan, Director General, LPRA
16:00 – 16:15	Presentation: TGS in Liberia Showcasing the Data Room and Technical Highlights An overview of TGS's activities in Liberia, the available subsurface data coverage, and TGS' role in supporting offshore exploration and investment decisions across the region. Johnny Chigbo, Business Development Manager, Multi-Client, Africa, Mediterranean & Middle East, TGS
16:15 – 16:30	Presentation: Unlocking Liberia's Offshore Potential A review of the prospectivity of Liberia's offshore basins and the critical role that high-quality geoscience data plays in reducing exploration risk, accelerating evaluation, and attracting investment. Henri Houllievig, Director, Geoscience, Multi-Client, Western Hemisphere, TGS
16:30 – 16:45	De-Risking Liberia's Next Exploration Cycle Joe Ramoin, Vice President, Core Laboratories
16:45 – 17:00	Offshore Liberia: Shallow Water Data & Subsurface Potential An analytical review of the seismic and geoscience datasets spanning Liberia's shallow water blocks, highlighting critical subsurface characteristics and basin prospectivity to assist industry participants in assessing future exploration prospects. Karen Carlson, Geoscience Advisor, KC Geoscience Consulting
17:00 – 17:10	Closing Remarks Summary and official opening of the networking reception.
17:10 – 18:10	Executive Networking Reception & Private Meetings An opportunity to network with the LPRA leadership and technical specialists, alongside industry colleagues. The session includes dedicated slots for media photography and bespoke bilateral meetings with Liberia's delegation, accessible based on request.

NB: Private Meetings with LPRA are available by request during and after the meeting
